

## Anthem Pets Minutes of General Meeting

March 9, 2017

Time Started: 6:37pm

Pet of the month: Red

Reports:

Treasurer- February \$1230.00 Revenue, Adoptions. Expenditures: \$1350.00 for covering advertising, rent and supplies. \$775.00 In the negative.

We ordered in T-Shirts and are selling them and accepting cash or check.

We had to cancel the fundraiser workshop, we are working on getting procedures in place.

The board has decided to vote on any animals to intake. We need to make sure we have fosters, as well as be able to evaluate whether we think the pet will be suitable for adoption and not have behavioral issues and/or medical issues.

We adopted out 4 cats and 2 dogs in February.

We welcomed Jamie Houston to the organization; she is the new VP and Dog Adoption Coordinator! We are very grateful to have her join the organization.

Need: We are still in search of volunteers to step forward and become 2 cat adoption coordinators. The board is now creating job descriptions for the new LOST and FOUND coordinators (we could use 2 more people for this. The Hotline also needs 2 people. All of these positions can be a two-person job and won't require a ton of work. Thanks in advance.

Events coming up:

Anthem Days 3/25 and 3/26 may need two extra people. May have found them, but also waiting for confirmation.

Das Pooch: 4/8 Adoption event in store

Low cost shot clinic on 4/29: 9am-12pm at Cookies and Clean-Toronto Marketplace.

Anthem Pets is not involved with the new dog park.

Meeting adjourned: 7:19

Respectfully submitted,

Kim Hilliker
